

## TECHNICAL DATA SHEET

**NAME:** 18,000 LUMEN RECHARGEABLE FLASHLIGHT

**PART NUMBER(S):** NE999

### PRODUCT DESCRIPTION:

This high-output rechargeable flashlight delivers up to 18,000 lumens using optimized COB technology and features 2x zoom with five light modes for versatile use in outdoor, worksite, and emergency applications. A magnetic mode-select dial provides quick, intuitive control, while direct-to-low startup, smart power control, and smart temperature control help manage output, battery efficiency, and heat during extended operation. The light is IP67 rated for water and dust resistance and is powered by a 5000mAh Li-ion battery rechargeable via USB-C. A rubberized grip and detachable lanyard improve handling and portability in demanding environments.

### Features and Benefits:

- 18000 Lumens
- Optimized COB
- 2x Zoom
- 5 Light Modes
- Magnetic Mode Select Dial
- Direct to Low
- Smart Power Control (SPC)
- Smart Temperature Control (STC)
- IP67 Rating
- Rechargeable via USB-C
- 5000mAh Li-ion Battery
- Detachable Lanyard + Rubber Grip

### Use for:

- Repairs
- Maintenance
- Emergencies
- Low or No Light
- Situations Camping

### Size:

11.5" x 2.5"  
2lbs

### Color:

Black
