

TECHNICAL DATA SHEET

NAME: 8-IN-1 MULTI-TOOL PEN

PART NUMBER(S): NE484

PRODUCT DESCRIPTION:

The **8-in-1 Multi-Tool Pen** combines everyday writing functionality with a range of built-in tools for convenience and versatility. Designed with a bolt-action mechanism, it features integrated measuring edges, a level indicator, and dual screwdriver bits. A removable tungsten steel tip adds extra utility, functioning as a glass breaker, marking tool, and box opener. Its triangular body and adjustable clip provide a comfortable grip and flexible carry options.

Features and Benefits:

- Bolt-action mechanism for smooth, reliable pen deployment
- Multi-function design combines writing and utility tools in one compact form
- Built-in rulers with both metric and imperial measurements
- Dual micro screwdriver bits (Phillips and flathead) stored within the pen
- Integrated bubble level for quick alignment checks
- Tungsten steel tip serves multiple purposes including breaking glass, scribing, and opening boxes
- Triangular barrel enhances grip and control
- Adjustable clip with multiple positions for convenient carry

Use On:

- Writing and note-taking
- Light repair tasks
- Measuring and marking surfaces
- Opening packages
- Emergency glass breaking
