

TECHNICAL DATA SHEET

NAME: BEAD BAGS

PART NUMBER(S): EE101-HS, EE101-V, EE101W, EE101-C

PRODUCT DESCRIPTION:

Bead Bag air fresheners provides fresh smelling air to an entire area in just minutes. This product lasts 30+ days and can be used in many different applications including: vacuum bags, drawers, fan units, vents, and in HVAC systems.

Features and Benefits:

- Eliminate odors for +30 days
- Continuous fragrance release
- No batteries or dispensers required

Directions:

Place a bead bag into the air system, in vacuum bags, vents, or anywhere else there is airflow to provide continuous fragrance in a large or small space. For continuous problem odors or oversized rooms, use multiple bags placed strategically throughout the area.
