

TECHNICAL DATA SHEET

NAME: BOOM BOOM CARPET SPOTTER

PART NUMBER(S): AL101

PRODUCT DESCRIPTION:

Boom Boom Carpet Spotter uses the power of hydrogen peroxide to eliminate stubborn stains and soils from carpet, upholstery, and fabrics. Formulated at a higher pH than other peroxide products for a longer shelf life, it easily lifts away oil, blood and other tough stains with little or no effort at all. Unlike other carpet spotters that remove a stain, only to have that area look different than the rest of the surface, this product contains special anti-resoiling agents to prevent dirt and soils from re-depositing. It dries tack-free, and remaining residues are easily vacuumed away without leaving behind a noticeable difference in feel or appearance.

Features and Benefits:

- Contains an anti-resoiling agent to prevent stains from reappearing
- Dries to a tack-free residue that can be easily vacuumed away
- Remains stable longer for better performance
