TECHNICAL DATA SHEET

NAME: BUZZ OFF

PART NUMBER(S): CC423

PRODUCT DESCRIPTION:

BUZZ OFF is a highly concentrated bacterial gel that eliminates drain flies, malodors, and digests grease buildup.

Features and Benefits:

BUZZ OFF's proprietary formula includes a unique *Bacillus* strain that breaks down long chain fatty acids - the primary component of problem grease deposits. **BUZZ OFF** is also specifically designed to eliminate drain flies, and block the production of odors frequently occurring in drain lines, sewer lines and grease traps.

Effective against:

- Fruit and drain fly infestations
- Foul odors
- Clogged drains

Directions:

FOR USE IN DRAINS: If drain is not regularly used, moisten drain by pouring 1-2 gallons of warm water into drain. **START UP:** Add 8 ounces to each drain and grease trap in area. Apply around edge of drain, attempting to coat sides of drain. Repeat dosage daily as necessary, usually for 5 - 7 days.

MAINTENANCE: Apply 4 - 8 ounces per drain or trap every week.

FOR NON-DRAIN AREAS (sinks, drain grates, floors, etc.) Remove loose and heavy surface organic matter from area. **START UP:** Spray area liberally until wet. Repeat application daily as necessary until organic material has been removed, usually for 3-7 days.

FOR MAINTENANCE: Spray area every one to two weeks, adjusting frequency based on results. **DO NOT FOG INTO AIR OR APPLY TO AIR MOVING EQUIPMENT THAT MAY ATOMIZE PRODUCT.**
