BLAST OUT

URINAL CLEANER, DESCALER & DEODORIZER

NO ODOR

REMOVES
SCALE/HARD WATER

CLEANS
URINAL DRAINS

RECYCLABLE

AUTOMATED

BLAST OUT delivers continuous maintenance of urinals at less cost and effort. It is specifically made to eat hardened uric salts in the pipe and deodorizes as it is working. Blast Out removes years of build-up and prevents new build-up forming. One kit lasts 30+ days and is recyclable.

DIRECTIONS

Put on gloves. Remove plastic from blue frame and insert on kit. Position arrowhead extensions straight up and insert into water opening holes until securely hanging from holes.

WARNING

If medical advice is needed, have product container or label on hand. Use disposable gloves while handling product. Refer to SDS for more information.
KEEP OUT OF REACH OF CHILDREN AND ANIMALS.
