

TECHNICAL DATA SHEET

NAME: CIK

PART NUMBER(S): AA30

PRODUCT DESCRIPTION:

Cik kills crawling insects for up to 3 months and smells like vanilla air freshener. It also has residual effect and continues to work long after initial application. It is formulated with Tetramethrin, this aerosol insecticide effectively eliminates crawling insects, roaches, ants, earwigs and more. The formula also features the ingredient Permethrin to offer long-lasting residual action to keep bugs from coming back again. This potent combination makes it ideal for crack and crevice treatment, as well as behind sinks, in closets and other hard-to-reach areas

Features and Benefits:
