

SHAKE WELL BEFORE USING PRE-TEST ON ALL PLASTIC SURFACES FEATURES

- Non-flammable per flame extension test, non-conductive, VOC compliant electronic contact cleaner for circuit boards and parts. This product quickly removes dust, lint, flux, dirt, condensation and moisture from precision instruments, circuit boards, and internal components of electronic devices. Dries quickly and leaves no residue.
- Formulated with a fast-evaporating solvent which will dry any moisture on the parts and minimize downtime.
- Will not leave a residue which allows for safer, quicker cleaning; no rinsing required.
- Will not harm most plastics, paint or wire insulation like chlorinated solvents.
- 3-way action; cleans, restores, protects.

DIRECTIONS FOR USE

Spray at 6-8 inches – floats dirt and other harmful elements away instantly.

COMPOSITIONAL INFORMATION

Contains 1-Bromopropane (CAS#106-94-5), Difluoroethane (CAS#75-37-6).

DANGER: Flammable aerosol. Pressurized container: May burst if heated. May cause respiratory irritation. Causes skin irritation. Causes eye irritation. May cause cancer. May damage fertility or the unborn child. Harmful if swallowed. Harmful to aquatic life with long lasting effects.

PRECAUTIONARY STATEMENT

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Avoid breathing dust/fume/gas/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash thoroughly after handling. Wear eye protection/face protection. Do not handle until all safety precautions have been read and understood. Avoid release to the environment. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not eat, drink or smoke when using this product. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF exposed or concerned: Get medical advice/attention. IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth. Store in a well-ventilated place. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Dispose of contents and container in accordance with all local, regional, national and international regulations.

Read Safety Data Sheet before using.
