& SELF RINSING

CLEANS
COILS

ENZYMES DIGEST
ORGANIC MATTER

CLEANS FREEZERS,
ICE MACHINES,
HEATERS

HIGH PRESSURE
INVERTED VALVE

NET WT: 20oz. (567g)

ECO FRESH COIL CLEANER is high foaming, self-rinsing and non-acid. This product removes grease, grime, dirt, mildew, and more. What sets **ECO FRESH COIL CLEANER** apart is that it features enzymatic properties that eat and digest organic contaminants. **ECO FRESH COIL CLEANER** features a high-pressure nozzle and inverted valve, so coils near and far can be reached with the tap of a finger. This product can be utilized in small spaces or when buildings are open for business as it is non-fuming. **ECO FRESH COIL CLEANER** is recommended for: air conditioners, ice machines, heaters, freezers, and more. **ECO FRESH COIL CLEANER** will improve system efficiency and reduce energy consumption.

DIRECTIONS FOR USE

BEFORE USING: Turn off power and protect all electrical equipment and parts with plastic or aluminum wrap. **SHAKE WELL BEFORE AND DURING USE.** Spray area thoroughly with penetrating & holding foam. Foam breakdown and dirt absorption indicates when surface may be flushed clean, if desired. For stubborn build up, a repeat application may be necessary. Can also be sprayed directly into drip pans and drain lines. **NOTE:** Initial cleaning of heavily soiled areas may require the use of more aggressive products prior to implementing the regular use of these safer alternatives.

PRECAUTIONARY STATEMENT

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Wash hands thoroughly after handling. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Protect from sunlight. Store in a well-ventilated place. Dispose of contents and container in accordance with all local, regional, national and international regulations.

**WARNING: CONTAINS GAS UNDER PRESSURE;
MAY EXPLODE IF HEATED. CAUSES EYE IRRITATION.**

COMPOSITIONAL INFORMATION

CONTAINS: Propane (CAS#74-98-6), Butane (CAS#106-97-8) Alcohols, C12-14-secondary, ethoxylated (CAS#84133-50-6).
Read Safety Data Sheet before using.

VOC CONTENT: 4%

**NOT FOR RETAIL SALE
INDUSTRIAL USE ONLY**
