TECHNICAL DATA SHEET

NAME: ECO FRIENDLY PAINT STRIPPER

PART NUMBER(S): DU01

PRODUCT DESCRIPTION:

Eco Friendly Paint Stripper is an industrial paint remover that removes up to 20 layers of architectural, industrial, and high-performance coatings in a single application! Professionals require superior performance, which is why this water-based, low VOC paint stripper does not contain methylene chloride or NMP, making it the ideal solution for professional contractors and their workers. Eco Friendly Paint Stripper i is non-carcinogenic, non-flammable, non-caustic, and fully biodegradable.

Eco Friendly Paint Stripper i removes oil, water, latex, acrylic, epoxy, urethane, and elastomeric paints and coatings on interior and exterior wood, brick, stone, metal, concrete, plaster, tile, decking, and many more! Works best on post-1980 paints and coatings! Eco Friendly Paint Stripper i does not require neutralization and is easily applied with a brush or airless spray applicator.

Size:
16 Oz.
