TECHNICAL DATA SHEET

NAME: FIRESTOP CAULK

PART NUMBER(S): CO303

PRODUCT DESCRIPTION:

FireStop Caulk is a commercial grade sealant that is versatile, economical, and can be used for wide range of common fire stop applications. Intumescent sealant expands up to 10x. Excellent for use as a smoke seal, and acoustically tested to reduce noise transmission. Contains no solvents that might adversely effect plastic pipes or cable jackets. Single grade may be caulked standard cartridge or bulk loaded, knifed or troweled. Paintable. UL classified and FM approved. Color: Red. Product size: 10 Oz cartridges.
