

GREEN CHEM LABORATORIES

PRECAUTIONS

Wash thoroughly after handling. Firefighting Instructions: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire-fighting water from entering environment. Suitable Extinguishing Media: Foam, dry powder, carbon dioxide, water spray, sand.

FIRST AID

Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice. (Show label where possible.) Inhalation: Allow victim to breath fresh air. Allow victim to rest. Skin Contact: Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse. Eye Contact: Immediately rinse with plenty of water. Obtain medical attention if pain, blinking or redness persist. Ingestion: Rinse mouth. DO NOT induce vomiting. Obtain emergency medical attention.

Precautions for Safe Handling

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor.

FAST EDDY

MOLD & MILDEW STAIN REMOVER

LOW ODOR

ELIMINATES
MOLD & MILDEW

NO SCRUBBING

STAINS IMMEDIATELY
DISAPPEAR

FAST
ACTING

Fast Eddy is a ready-to-use mold and mildew stain remover that is safe to use on most surfaces. There is no wiping or cleaning. Stains simply disappear. It can be used on a wide variety of surfaces, including tile, grout, plastic, fiberglass, and vinyl.

INDOOR USES

Use on tile and grouting, in showers, tubs, locker rooms, bath mats and shower curtains. Use FAST EDDY and rinse well prior to applying one of our disinfectant cleaners to eliminate dangerous mold and help stop regrowth. ALSO REMOVES SOAP SCUM.

OUTDOOR USES

Use on cemetery monuments, headstones, mausoleums (marble, granite, bronze and concrete), canopies and awnings, outdoor furniture, wood fencing, railroad ties, etc. FAST EDDY also prepares concrete or wood for painting. Spray directly onto the surface. Allow to saturate and let work for 5 minutes (30 minutes for stubborn black mildew). No need to scrub. Do not rinse until stains disappear.
