**GREEN MAGIC** is a powerful yet safer multi-functional cleaner that combines the high cleaning performance of an acid with the mildness of liquid dish soap. This acid replacement was developed to meet the needs and demands of the marketplace for safety without compromising cleaning performance.

**NOTE:** This product should not be used on marble and granite. Test on an inconspicuous area before using.

#### DIRECTIONS FOR USE

**Green Magic** can be used full strength or with the recommended sprayer or foamer diluted with up to 25 parts of water, depending on the application, the surface and the severity of the soil. Apply product and let stand a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Wipe with cloth, sponge or swab, and rinse thoroughly with clean water. Spot check on an inconspicuous area first.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.
