LABORATORIES

## TECHNICAL DATA SHEET

**NAME:** HAND SANITIZER W/CARABINER

**PART NUMBER(S):** HA02-2

### PRODUCT DESCRIPTION:

**Hand Sanitizer with Carabiner** is a 2oz sanitizer that puts sanitation at your fingertips without reaching into your pockets. This product contains 70% ethyl alcohol because of its effectiveness and quick-drying quality. Carabiner easily attaches to belt so you can take the hand sanitizer on the go.

### Features and Benefits:

- Our proprietary blend features notes of citrus fragrances and moisturizes your hands leaving them silky smooth without leaving a sticky residue
- Clip it to your belt, purse, backpack, or wrist for easy access
- Self-Use Container eliminates transmission from communal dispensers and allows you to dispense sanitizer whenever you need it
- Safe for sensitive skin while still effectively removing contaminants
- Perfect for use at home, work, school or anywhere that germs lurk

**Quantities:**  
50 UNITS/CASE
