

TECHNICAL DATA SHEET

NAME: HARD UP

PART NUMBER(S): I303-4X

PRODUCT DESCRIPTION:

HARD UP works instantly on contact, turning unwanted liquid paint into a solid that can be safely thrown away. Simply pour it into leftover paint, stir, and within minutes you'll see the paint harden. Clear out extra paint cans from your garage or shed, or keep it on hand for post-project cleanup. Perfect for artists, professional painters, maintenance crews, and homeowners alike.

Features and Benefits:

- Safely disposes of unwanted paint
