

TECHNICAL DATA SHEET

NAME: ICE CLEATS FULL CLEAT

PART NUMBER(S): GG200

PRODUCT DESCRIPTION:

Ice Cleats Full Cleat is an anti-slip ice traction cleats, 10 carbon steel studs, flexible TPE material, pull tab. Each pair is packaged in a polybag and individually hang-tagged for retail sale.

Features and Benefits:

- Four heat-treated carbon steel studs at the heel, six at the ball of foot which dig into slippery surfaces offering improved traction
- Flexible TPE rubber with pull tab allows for easy on/off
- Lightweight material stays strong and flexible in subzero temperatures
- Warning: Not recommended for use indoors, studs can scratch floor surfaces and may cause a loss of traction

Use on:

- Road Construction
- Construction
- Roofing
- Trades
- Installers
- Contractors
- Delivery/Service
- Landscaping Utilities
- Logging
- Winter/Ice Sports
