

TECHNICAL DATA SHEET

NAME: LANYARD W/ADJUSTABLE LOOP

PART NUMBER(S): A910

PRODUCT DESCRIPTION:

Lanyard W/Adjustable Loop is a simple safety tether to prevent any dropped equipment, and greatly reduce accidents which ultimately ensures proper fall-proof capabilities on construction sites, roofing, tower climbing, scaffolding or anywhere which needs up to 8kg in weight secured to an anchor. Made from premium quality, extra-durable bungee cord straps, with stainless steel carabiner for strong and sturdy locking, these tool lanyards are definitely a must for every self-respecting handyman! Make sure you minimize the risk of injuries caused by dropped tools and increase the workers' productivity on construction sites, at the same time ensuring higher mobility when handling all sorts of tethers or hand tools.

Features & Benefits:

- Heavy-duty, durable materials
- Double hole plastic plug for anti-slipping
- Elastic, durable bungee strap
- User-friendly, easy installation
- Compatible with all sorts of tool sizes and types
- For professional and recreational use
- Allows for all natural movement
- Versatile, adjustable

Use on:

- Fishing, hunting, camping, hiking, and other outdoor activities
- Great for ironworkers tools, scaffold ratchet tools, or as hard hat accessories

Dimensions:

- 31.5" / 90cm (relaxed) - 65" / 165cm (extended) x 20mm, Max Load: 8KG (17.6lbs)
