SAFE ON
MOST SURFACES

Liquid Gold is an eco-friendly concentrated heavy-duty cleaner and degreaser. It destroys grease and grime on contact, leaving a pleasant citron fragrance. Liquid Gold can be used on all hard surfaces. It will not affect paint, glass, or mirrors. Its unique formula works great on grout and clings well to vertical surfaces for easy cleaning.

DIRECTIONS FOR USE

Simply spray and wipe away grease, grime, oil, carbon, soot, smoke film, magic marker, ink, crayon, lipstick and much more. On heavy, stubborn soils, allow product to work for one minute before wiping. When using on vertical surfaces, spray from the bottom up and wipe quickly to avoid streaking. NOTE: Test in an inconspicuous place before using on painted surfaces.
