MOTOR MOUTH

THE STRUGGLE

Oh no! Someone left an oil stain on the sidewalk...

THE FIX

Motor Mouth to the rescue! We poured it directly on the stain and let it sit for an hour. It cures to a biodegradable powder and sucked up the stain. We then swept it up and rinsed the rest away.

MOTOR MOUTH

THE STRUGGLE

Oh no! We put ketchup, mustard, mayo, and soda on the unsealed granite and then let it bake in the sun for a couple of days.

THE FIX

Motor Mouth to the rescue! We applied Motor Mouth directly onto the stain and let it sit for a couple of hours. Once it turned to a powder we rinsed off. It looks good as new!
