LABORATORIES

## TECHNICAL DATA SHEET

**NAME:** RAT X

**PART NUMBER(S):** A823

### PRODUCT DESCRIPTION:

Rat X Bait Discs are all natural, non-toxic, and humane rat and mouse rodenticide. Non-toxic to humans and non-rodents. Completely biodegradable; zero environmental pollution and eliminates mice and rats with 90% less odor. Can be used inside or outside in extreme weather conditions

### Features and Benefits:

- Material: Disks
- Product Dimensions: 1lb
- Target Species: Mouse, Rat, Vole, Mole
- Non-toxic to humans and all non-rodent animals, poison-free, Bait Discs work from the inside out to kill rats and mice with up to 90% less odor. That makes them the choice of professionals and homeowners alike.
- Bait Discs are formulated with natural ingredients blocking thirst signals in rats and mice. Once they eat the bait, mice and rats gradually stop wanting to eat or drink. This leads them to dehydrate and eventually die.

**Quantities:**  
6 UNITS/CASE
