

TECHNICAL DATA SHEET

NAME: SHINE ON TIRE DRESSING

PART NUMBER(S): Q8050

PRODUCT DESCRIPTION:

Shine On Tire Dressing gives dull, dry-looking tires new life. Leaves an incredible, wet-looking shine that lasts through multiple washes. Keeps new tires looking their best and rejuvenates older tires to a like-new, deep luster. So easy to apply, just spray on and walk away—no buffing required. Can sprays from any angle—even upside down. SHINE ON keeps tires looking blacker longer while preventing cracking, brown-ing and premature aging.

Features and Benefits:

- Just spray on and drive away—no buffing
- Sprays from any angle—even upside down
- Deep gloss lasts weeks—even through multiple washes
- Leaves long lasting, lustrous shine
- Great on rubber trim and mud flaps

Uses:

For use on automobiles, motorcycles, recreational vehicles, airplanes and more. Also great for trim, mud flaps and other rubber surfaces. Areas of use include automobile dealers, detail shops, car washes, fleet maintenance, airports, repair shops and RV dealers.

Specifications:

FORM: Solvent Based Aerosol
