

**TECHNICAL DATA SHEET**

**NAME:** SMOOTH OPERATOR

**PART NUMBER(S):** AL78 -4, AL78-30, AL78-5, AL78-55

**PRODUCT DESCRIPTION:**

Smooth Operator is a biodegradable, ready to use, coil cleaner, surface cleaner, and degreaser. It contains 6% butyl and combines water softeners and low-phosphate surfactants to power away heavy dirt, grease, and grime from most surfaces. Besides being used as a coil cleaner, it can also clean concrete, heavy equipment, air filters, ceramic, plastic, and more. It is water soluble, non-flammable, non-toxic and non-corrosive, so it can be diluted for use on a wide range of cleaning chores. It is also safe to use on any surface not damaged by water, so it has many uses in schools, kitchens, maintenance and repair shops and more.

**Features and Benefits:**

- Concentrated cleaner with 6% butyl
- Low phosphate alkaline cleaner and degreaser
- For use on all water-safe hard surfaces

**Use on:**

- |                   |                                    |                     |                  |
|-------------------|------------------------------------|---------------------|------------------|
| • AC Coils        | • Rubber                           | • Linoleum          | • Ceramic        |
| • Refrigerators   | • Concrete                         | • Lighting fixtures | • Plastic        |
| • Electric fans   | • School walls                     | • Rubber equipment  | • Metal stock    |
| • Printer presses | • School showers and pools         | • White wall tires  | • Brick          |
| • Flues           | • Air conditioner and heater units | • Oven cleaning     | • Engines        |
| • Air filters     | • Heavy equipment and machinery    | • Buses and trucks  | • Exhaust stains |
|                   |                                    | • Conveyors         |                  |

**Effective Against:**

- Oil and grease
- Dirt and grime
- Printer's ink

**Properties:**

Appearance.....Blue liquid  
 Fragrance.....Glycol  
 Concentrate.....Yes  
 Specific gravity.....1.02  
 Solubility.....Soluble in water  
 pH.....12-13  
 Chlorinated solvents.....None  
 Foaming.....Medium foaming

**Quantities:**

4 X 1 gallonS (AL78-4)  
 5 gallon pail (AL78-5)  
 30 gallon drum (AL78-30)  
 55 gallon drum (AL78-55)

**Directions:**

Complete directions on product label  
 For cleaning and degreasing – dilute 1:3 – 1:30 with water. Spray, brush or mop onto surface then rinse with clean water. See label for specific use rates.  
 Authorizations: NSF A4: Floor and wall cleaner for use in all areas.

**Safety**

**Warning:** Causes serious eye irritation.  
 Keep out of the reach of children.
