

TECHNICAL DATA SHEET

NAME: SPF HAT

PART NUMBER(S): A898

PRODUCT DESCRIPTION:

SPF Hat is a wide brim outdoor safari summer hat with neck flap. Polyester blend will ensure efficient moisture wicking, while maintaining hat crown shape. Wide brim ensures a high level of sun protection, providing shade for where it counts. Neck Flap takes protection one step further by protecting neck from the elements.

Features and Benefits:

- UPF 50+ for ultimate sun protection, blocks 98%+ of damaging UVA/UVB sun rays.
- Wide brim and mesh vents for cooling airflow through the crown, moisture wicking sweatband & adjustable chin strap
- Polyester will ensure efficient moisture wicking, while maintaining hat crown shape. This outdoors piece is crafted to outlast.
- Premium Polyester/Nylon, breathable, quick-drying, lightweight and soft and comfortable to wear.
- Neck Flap takes protection one step further by protecting neck from the elements.
- The 4.5" high mesh/solid crown ensures a generous fit profile for most heads while providing for excellent ventilation and sweat wicking. Chinstrap with cordlock ensures that the hat stays firmly planted on your head.
