SLIME OUT GEL TABS

CONDENSATE DRAIN PAN TREATMENT

USE ON
DRAIN PANS

ELIMINATES
SLUDGE & SCUM

WON'T
CLOG DRAINS

ODOR
ELIMINATOR

Slime Out Gel Tabs are non-toxic, non-corrosive, easy to use. **Slime Out Gel Tabs** are completely soluble and do not form deposits in the pan or drain. **Slime Out Gel Tabs** clean sludge, scum, and other accumulations in condensate drain pans preventing the odors caused by these accumulations. One **Yellow** tab treats up to 7 tons of system capacity.

DIRECTIONS FOR USE

One **Slime Out Gel Tab** can last for an entire normal cooling season. Use one **Slime Out Gel Tab yellow** tab for (each 7 tons or less), or **Blue Tab** for (each 20 tons or less) of air conditioning. Place one **Slime Out Gel Tab** in the condensate pan and position so that the condensing moisture drips on or runs over the **Slime Out Gel Tab**. The dissolving action forms a gel and locks the **Slime Out Gel Tab** into place, slowly releasing treatment for extended cleaning action.

CAUTIONS

Do not breathe dust. Wear protective gloves, protective clothing, eye protection, and face protection. Wash face, hands, and any exposed skin thoroughly after handling. Do not eat, drink, or smoke when using this product. **FIRST AID: IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER/doctor if you feel unwell. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove person to fresh air and keep at rest in a position comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor. **Storage:** Store locked up. **Disposal:** Dispose of contents and container in accordance with all local, regional, and national regulations. **DANGER:** Harmful if swallowed. Causes severe skin burns and eye damage.
