# SNAKE BITE

ODORLESS, NON-FUMING &  
NON-ACID DRAIN OPENER

FAST  
ACTING

DISSOLVES  
HAIR

EATS HARDENED  
LATEX PAINT

WORKS ON  
PVC

OPENS DRAINS,  
SINKS, SEWERS

NET CONTENTS: 32 OZ. (0.95L)

**TIGER KING** is a special blend of hydrochloric acid and metal protecting inhibitors to remove lime and other mineral deposits from piping and equipment. It can be used safely in contact with iron, steel, copper, brass, bronze, and lead. Read all directions and cautions before use.

## DIRECTIONS

For best results, use **TIGER KING** as part of a preventative maintenance program. Apply 6-8 ounces, 3-4 times a week to eliminate mineral build-up. Use at time of day or night that will allow the **TIGER KING** to remain in drain pipes for 5-10 minutes. Let it sit and work its magic. Flush afterwards and enjoy your "good as new" drains!

Do not use **TIGER KING** on aluminum, magnesium, tin, nickel, zinc, chrome, galvanized, or enameled surfaces, concrete, marble, or terrazzo, since they are attacked by **TIGER KING**. In the case of contact, wipe clean and flush with water. Thoroughly rinse any equipment, such as funnels, pails, or hoses that are used with **TIGER KING**. The dissolving action of **TIGER KING** may open up holes which have been plugged by rust or scale. Dilute all spills with plenty of water.

## DANGER

Causes severe skin burns and eye damage. May cause respiratory irritation.

## PRECAUTIONS FOR SAFE HANDLING

Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Do not breathe vapors, spray, mist. Use only outdoors or in a well-ventilated area.
